

Whoops!

Rhythmic chant
Moderate

Miriam Libove-Goldfarb

With - out my shoes on, my socks take their cues and I slide, and slide.
Fast on the floor, I go whoops out the door. I go glide, and glide.
Rid - ing the breeze, I go whiz past the trees. I go ride, and ride.
Back in the house, I go soft like a mouse. I can hide, and hide.
