

# My Kite

## ***Rhythmic chant, flowing***

*Creative voice play can open the activities. Float your hands from high to low, and using your voice on "oo" or "ah," follow the direction of your hands. When this rhyme is taken to a standing position, children can explore high, middle, and low space on their way down to the floor.*

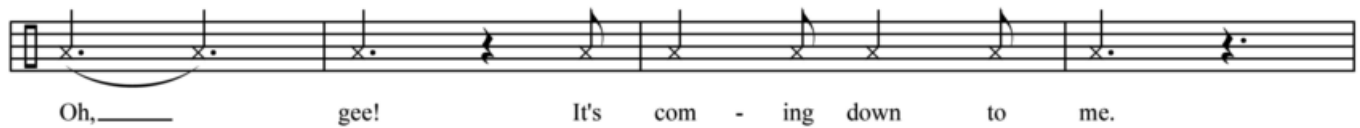

M. Schwartz

Oh, \_\_\_\_\_ my! My kite is in the sky.

Oh, \_\_\_\_\_ my! My kite is fly - ing high.

Oh, \_\_\_\_\_ gee! It's com - ing down to me.

Oh, \_\_\_\_\_ gee! It land - ed in the tree.
