Slow - ly, slow - ly, ver - y slow - ly, creep - ing with no sound.

2. *Continue movement from above.*

Quick - ly, quick - ly, ver - y quick - ly, ran the lit - tle mouse.

1. *Run your fingers all over.*

Quick - ly, quick - ly, ver - y quick - ly, like a zoom - ing car.

2. *Drive your car. If you are in a standing position, drive your car using running feet.*

Quick - ly, quick - ly, ver - y quick - ly, in her lit - tle house.

1. *Run your fingers all over, and then place one fist on top of the other to hide your mouse or hide your fingers behind you.*

Quick - ly, quick - ly, ver - y quick - ly, like a shoot - ing star!

2. *Move your hands in different directions in front of you. Let your hands fly up in front of you after you say "star."*
